Updated report with updated numbers on the Hill. Note that we will no longer report numbers on Wellington street and sidewalk because we cannot establish an accurate number.

Summary of the Daily Update #3:

As of 11:00am, approximately 1500 demonstrators are gathered on Parliament Hill. There are no disruptions or meaningful activities to report from the Parliamentary Precinct at this point in time.

Security Partners have stated that everyone was satisfied about how things unfolded yesterday, with only minor vandalism incidents in the downtown core. They've also confirmed that they have sufficient resources to manage the situation over the weekend.

Wellington Street is now shut down from Elgin to Lyon, with two lanes available for emergency vehicles.
